2017 MSFCA State
Chiefs Convention

Radisson Colonial Hotel
Helena, MT
October 11-13, 2017

Join us at the 2017 State Chief's Convention, hosted by the
Montana State Fire Chiefs Association

This year's convention will feature cutting edge science and technology related to firefighter safety; innovative sessions on leadership development, railroad safety, wildland fire, and much more. There will be a variety of subjects, with a good balance between career and volunteer topics.

Through networking, you will build and strengthen relationships with your peers. This alone will be worth your time to travel to Helena, not to mention the valuable education and training you will receive.

MSFCA
1236 N. Ave W
Missoula, MT 59801
