

Deputy State Fire Marshal Ron Martin has been in the fire service for 27 years. For the last couple years, he has been with the Montana State Fire Marshal's Office and currently handles the inspections of cannabis facilities in Gallatin County and surrounding counties. Gallatin County alone has the majority of cannabis facilities in the State of Montana. Prior to working for the State Fire Marshal's Office, he retired as the Deputy Fire Marshal for Great Falls Fire Rescue and retired as the interim Fire Chief at the Montana Air National Guard Fire Department.
